

PACWESTY
out and about

HI! WE'RE PACWESTY.

So what the heck is PacWesty?

We're a new Bainbridge Island-based van rental and adventure company founded by longtime Pacific Northwest residents. We spend most of our free time exploring and playing in our own backyard (aka the Olympic Peninsula), and why not? It's one of the most amazing places on the planet, right? Now we're hoping to share our passion with adventurous travelers from near and far.

**WE MAKE
HAPPY CAMPERS.**

Have sweet ride, will travel.

PacWesty customers travel in fun, free-spirited style aboard cool and comfy Volkswagen Vanagons. A blast to drive, our beautifully maintained, super clean campers have a ticklishly-light footprint and come outfitted with everything from stoves to beach chairs; sleeping bags to French presses. PacWesty vans make getaways easy for families, couples, and friends trekking together, and leave campers free to enjoy myriad adventures – from surfing to cycling, fly fishing to wine tasting, kayaking to bird watching. Or perhaps all of the above. 😊

**THE OLYMPIC PENINSULA
IS OUR PASSION.**

We launch epic adventures.

There's nothing we enjoy more than being out and about on the Olympic Peninsula, and we love sharing our passion with PacWesty customers. Our website – full of photos, maps, guides, tips and detailed information – is designed to do just that. We're eager to collaborate with cool businesses that can help our travelers discover their own passions and experience the dazzling array of wonders, activities and adventures that await in this unique corner of the planet.

LET'S WORK TOGETHER!

Seeking great business partners on the Peninsula.

Some of our van rental customers already know the Northwest. Some wouldn't know an eagle from a seagull. Either way, we equip them with all they need (vehicle, gear, knowledge) to have a most excellent adventure on the Olympic Peninsula. That's where our friends – people like you – come in. We're looking for wonderful partners on the Peninsula. Partners we can recommend, promote, and feature on our website as our business, um, rolls forward. What'dya say?
